Re: 12 Day Pre-General Report (10/1/00 – 10/18/00)
30 Day Post-General Report (10/19/00 – 11/27/00)

Dear Ms. Kelly:

This letter is in response to your letters dated May 22, 2001 in reference to the above mentioned reports (see attached copy of your letters). Upon your review, questions were raised concerning certain information contained in 12 Day Pre-General Report relating to descriptions itemized on Schedule B and the 30 Day Post-General Report relating to Schedule A contributions that either appear to exceed the contribution limits or were made after the election date.

Attached, please find an amended Schedule B correcting the descriptions and amended Column B figures for the Summary and Detailed Summary Pages for the 12 Day Pre-General Report.

Per review of the contributions identified on the 30 Day Post-General Report, we are sending written reattribution requests to Peter Hearn and Fareed Ahmed for the identified contributions that exceeded the contribution limit. We will forward the responses to you, under separate cover, upon receipt. The contribution for the International Union of Painters & Allied Trades Political Action Together, in the amount of \$5,000, was however, incorrectly reported on the report. The contribution was received on November 2, 1998. We have enclosed a copy of the contribution letter for your review.

Also, the contributions that appear to be made after the General Election were incorrectly reported on the 30 Day Post-General Report. Per review of our contribution records, the contributions were either received on or prior to the General Election. We have amended
